Dear Pastor. Phillip Sang C Rey

Greetings from India. Hope and pray for you are doing well there. We are doing well by His grace. Our children are done good in their 2nd term exam. Most of them are got 1st-4th ranks in their classes. All kids are fine and healthy. One kid had lost his father last week please pray for his family. Only mother is there to take care of the family. She is a daily labor. Thank you for Your prayers. And thank you so much for your kind concern for these children. We really appreciate the GOAHEAD MISSION for all the help. May God bless you and the mission abundantly. Keep praying for us. Kids are always remembering you in their prayers. Thank you so much again.

Regards.
