## *Christmas in Nepal – Celebration 2022*

#how is Christmas celebrated in Nepal?

Nepali people, despite a majority of them are Hindu, has jumped into the bandwagon of celebrating Christmas recently. Although people adopting Christian faith accounts for only 1.42 percent of the population, **people from other faith have been taking the Christmas festival for merrymaking**

Christmas is a Light and snow. Christmas is celebrated all over Nepal with lots of excitement and energy. Although the number of people who follow this religion is slightly lesser than the people following other religions. Christmas is also considered a national festival in Nepal. Shopping for Christmas begins at the start of December. People greet everyone and wish for good health and well-being for everyone. **Go- ahead Mission** – Provided food and Gift winter jacket for Slum Place,
