RE: APRIL DONATION REPORT

21/04/2023

We would like to inform you that we received food donation which we managed to feed some of the orphans under our organization, we really appreciate for your love and prayers towards our orphans.

We have different challenges which include:

Lack of land where to cultivate

Lack of enough support

Lack of schools which causes most of the orphans to drop out from school due to the lack of school fees and in this case the solution is to build our orphanage school where these orphans can be studying from

May the Lord bless you so much.

Thank you so much for your love.
