## MAY REPORT

I would like to take this opportunity to thank everyone who has contributed anything towards our orphans and appreciate so much for your love which you have upon our orphans , here is report for what was done within this real month of May , we received 100 dollars for food for our orphans . The following are the pictures which show the activities done.

➤ Here is the table that shows the urgent need per kid

ITEM	COST ( MONTHLY ) PER KID
Food	30 dollars
Others includes clothes and medical care	30 dollars

We have now 417 under our organization and we are working hard to see that the orphans may live in better life and the better solution is to hold hands together and we work together to sort out the challenges.

- **The measures to solve the challenges faced by organization more especially food.**

We plan to cultivate as we did in previous season, we cultivate and really agriculture helped us to solve this problem so when we again dig we shall solve this problem for six (6) months.

- **The table bellow shows the requirements for carrying out agriculture**

<b>ITEM</b>	<b>QUANTITY</b>	<b>COSTS ( DOLLARS)</b>
Rent ( land)	10 acres	500
Preparing the rented land includes slashing, digging and making lines	10 acres	300
Manure and pesticides	10 pesticides and 10 sack of manure	140
Weeding	10 acres	200
<b>Total</b>		<b>1140</b>

This will make our organization to manage food problem after harvesting, may the Lord bless you so much.

**Yours in service:**
